MEMORANDUM FOR: Director, Intelligence Community Staff
Deputy Director for Intelligence
Deputy Director for Operations
General Counsel

FROM : SA/DCI/IA

SUBJECT : DCI Testimony on International Narcotics
before the SSCI, 14 July 1982

1. On 25 June the Director agreed to appear before the SSCI on 14 July on the subject of international illicit drug trafficking. The attached memo from Chairman Goldwater explains the purpose and scope of this hearing.

2. On 22 April Admiral Inman testified on this subject before the House Foreign Affairs Committee. His testimony was based on inputs from ICS, DO, and DI. His presentation, I believe, can serve as a model for the Director's presentation in July. I have attached a draft outline for the Director's presentation, which indicates which component is responsible for the various inputs into the testimony. I have already been in touch with cognizant action officers in your respective components and work is underway.

3. To the best of my knowledge, the Director has not testified on this subject before. He will require, therefore, time to absorb and most likely to redraft the statement we provide him. To provide him this opportunity, I have asked for the inputs no later than close of business Thursday, 1 July. I would be very grateful to have any of the inputs earlier if possible. As with the Admiral's testimony in April, I will act as the master scribe to pull together the inputs into a single statement for the Director.
